*Tom Miller*

*[Please read this wonderful report from Joseph. We are so proud of him and Nate for spending a week in Nicaragua doing mission work. As you can see from what he says, it was a wonderful week of learning and doing the Lord's Work. May God bless and continue to use them both.]*

### **MISSIONARY TRIP REPORT**

The trip to Nicaragua was AMAZING! I can't tell you what my favorite part was, because I had no favorites. I loved every minute, every second in fact. This was the best decision of my life. The trip impacted me physically, mentally, and spiritually. Probably every way possible. This trip not only showed me how God's hand works with people in other countries, but how blessed we are in the USA. We are spoiled. We complain about little things. For example, "It's so hot. What's wrong with the A/C?" Seeing the people down there, we were lucky to have a door for our house. They did have power, but they didn't have TV, they didn't have A/C, and most of them didn't have doors.

Overall, we were successful in our trip. We had 11 baptisms! 11 people added to the Lord's church. 2 people were restored to the church. There was 1 marriage, so that they could be baptized. We went to 229 houses for Bible study attempts. We made contact with 424 people. We had Bible studies with 239 people.

The purpose for me writing this is to thank you for the love, prayers, and support. Also, this is to show that that it wasn't for nothing. I learned some things. Thank you again for the support and everything you have done to have made it possible. I do plan on going again next year!

Sincerely,  
*Joseph Wheeler*
